Mini sistema modulare Mini modular system

Mini

Sistema modulare per pareti divisorie, arredamento e allestimenti fieristici.

I profili di sostegno sono facilmente combinabili e adatti alla realizzazione di pareti divisorie, complementi d'arredo, scrivanie o elementi multifunzionali.

Gli elementi di fissaggio del vetro possono essere inseriti sui quattro lati del profilo senza forature, facilmente rimovibili e riposizionabili.

Utilizzabile anche con sistema puntuale Vetra System

Caratteristiche principali:

- Materiale: Alluminio
- Portata supporti: 50 kg. Per punto
- Altezza max profili: mm 6000
- Taglio a misura effettuabile a richiesta
- Spessori vetro utilizzabili 8 - 13,52
- Finiture standard: argento
- Finiture a richiesta: altre finiture anodizzato e RAL

Mini

Modular system for partition walls, furnishings and exhibition stands.

Bearing supporting profiles are easily combinable and suitable for realization of partition walls, furnishing complements, desks or multifunctional elements.

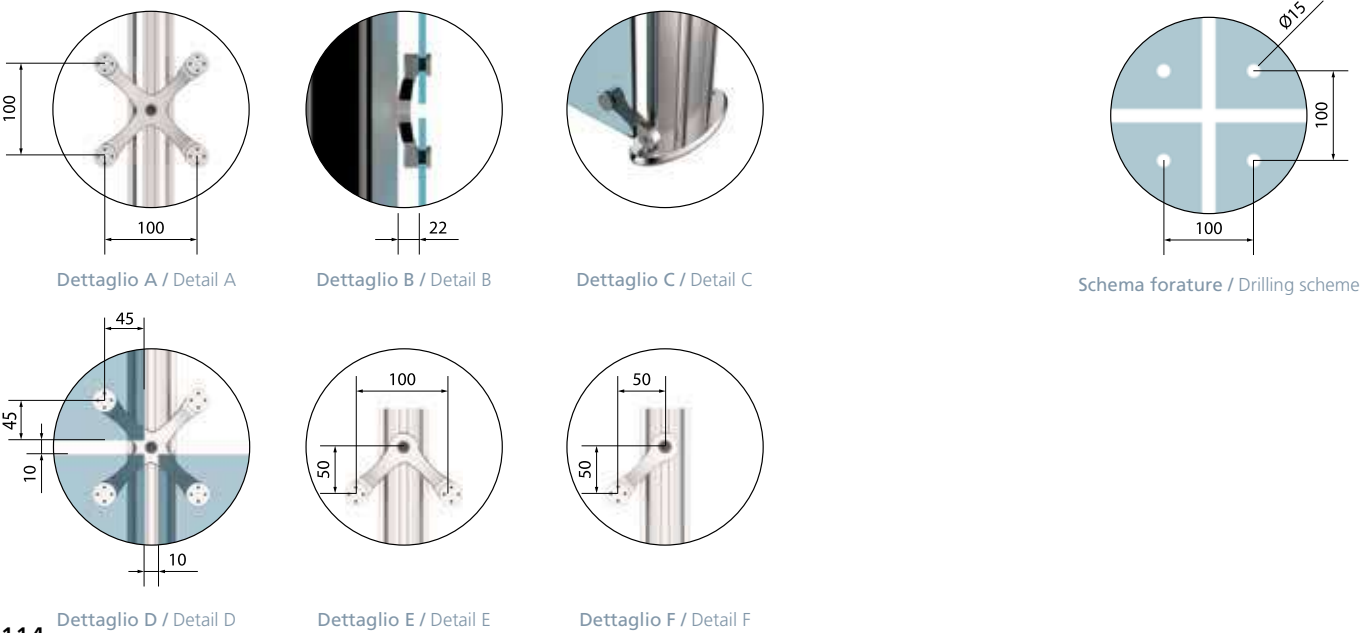

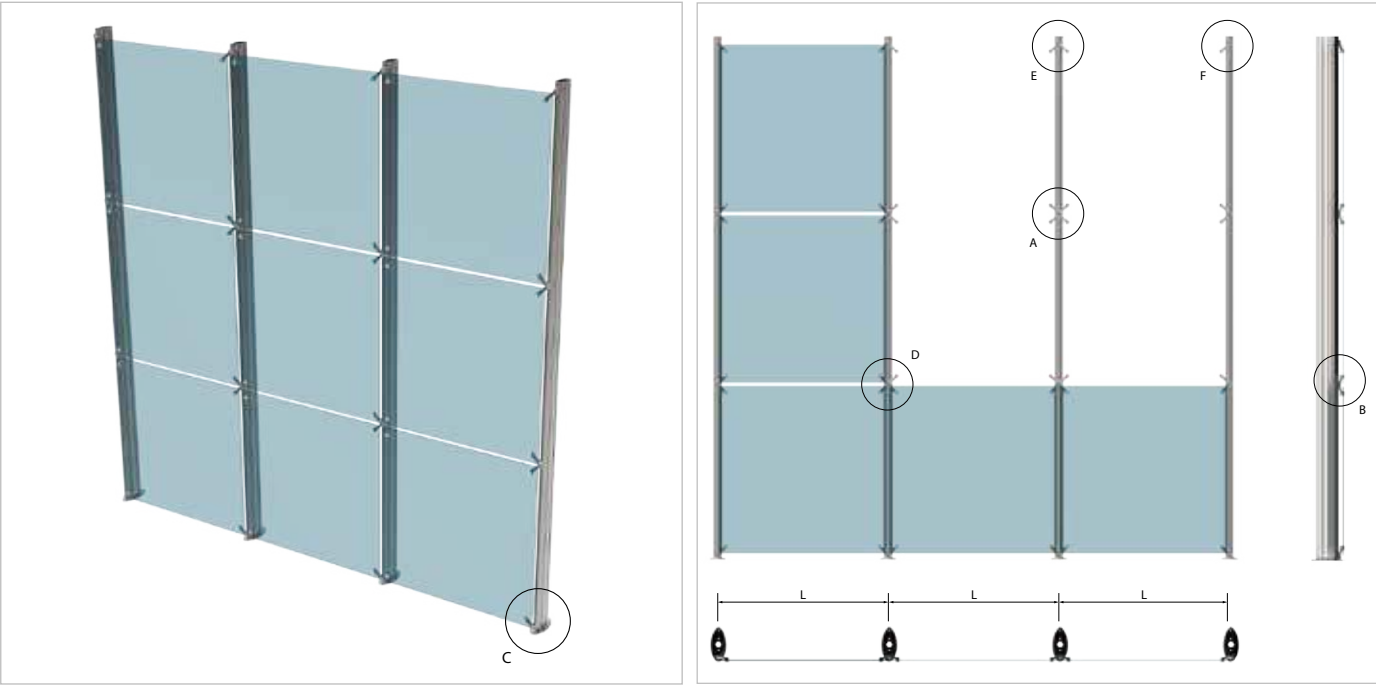

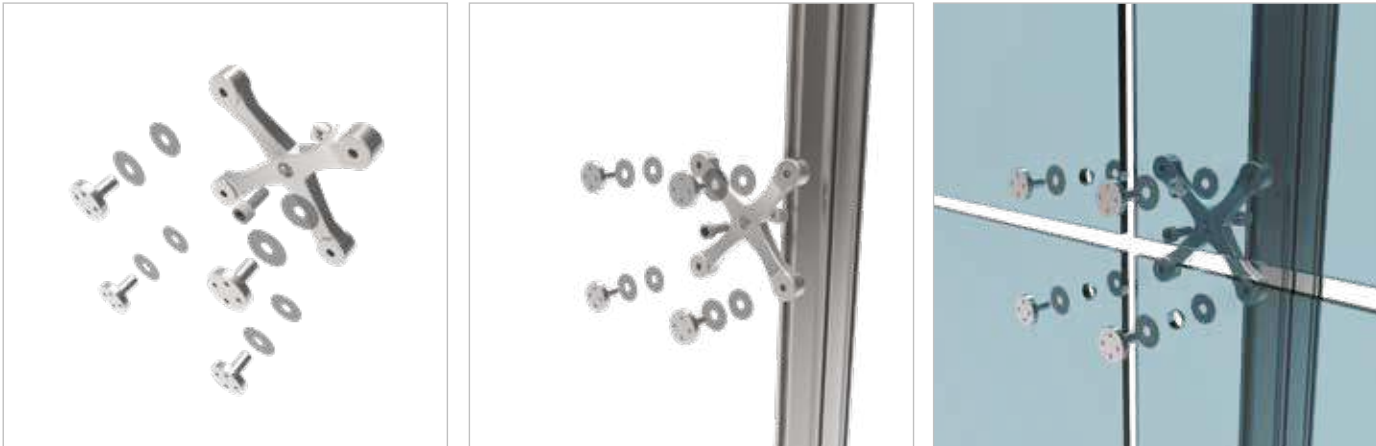

Glass fixing elements can be inserted on the four profile sides without any holes, all accessories can be easily removed and repositioned.

Systems can be used with Vetra System punctual system elements

Main features:

- Material: Aluminum
- Support capacity: 50 kg. per point
- Max profile length 6000 mm
- Cut to size available upon request
- Glass thickness 8 - 13.52
- Standard finishes: silver
- Finishes on request: other anodized and RAL finishes
